A wooden easel stands on a light-colored wooden floor. It holds a white rectangular sign with a quote in a black serif font. The quote is centered on the sign. The background behind the sign is a plain, light-colored wall.

*“All humanity that works for  
the common good, even though  
it may be unaware of it, is  
creating the new world that  
must be the world of peace.”*

*- Maria Montessori, "Education and Peace"*
